

KITTEN SCISSOR PRACTICE

PARENT, CUT OUT A KITTEN AND TAPE IT TO THE BACK OF YOUR CHILD'S SCISSOR BLADE SO THAT IT IS SEEN ABOVE BUT DOES NOT LIMIT THE MOVEMENT OF THE SCISSORS. THEN HAVE YOUR CHILD CUT ON THE LINE SO THAT THE KITTEN CAN PLAY WITH IT'S BALL OF YARN. ENCOURAGE PROPER BODY MECHANICS AND KEEPING THE THUMB UP WHEN CUTTING. THERE IS ONE KITTY FOR LEFTIES AND ANOTHER FOR RIGHTIES.
